

## **FRAGfinity Rules:**

- 1. FRAGfinity admins are not responsible anything that might happen to you or your equipment.** We take reasonable precautions to prevent theft but are not liable if someone walks out the door with your computer, prize etc.
- 2. FRAGfinity admins have the final say in all matters pertaining to the Lan Party.** If you are acting like a jerk or breaking rules we can and will have you removed from the premises, otherwise you will have a great time.
- 3. You are responsible for having all appropriate hardware and software.** You are expected to bring all games and/or equipment necessary to participate unless you have made arrangements to borrow from someone. FRAGfinity will provide certain items such as freeware games and patches but *we will not hold up a tournament because you were unprepared.*
- 4. Plug your equipment in only when and where you are told.** We will be working to balance power and network resources, we don't need any blown circuits or other power problems. So please don't just plug into your neighbor's power strip.
- 5. Don't touch other peoples stuff without permission.** The difference between borrowing and theft can be hard to define and we don't intend to try, so keep your hands off.
- 6. No horseplay, running around or throwing things.** There will be other peoples equipment in the room that is easily damaged. So there will be no wrestling matches, tossing of disks etc. Obviously, violence of any kind will get you ejected.
- 7. No speakers, please!** Please use headphones only to keep noise levels down. Obviously this does not apply in the console room.
- 8. No cheating.** This includes, bots, hacks exploits or anything else that isn't strictly aboveboard. If you have a question about a specific case please ask the admins or email [fragfinity@gmail.com](mailto:fragfinity@gmail.com). If the admins decide that what you are doing is sufficiently shady, you will be warned, any further infraction will get you kicked or banned from the tournament or server.
- 9. Keep your area clean.** We are using this area at the courtesy of the Clear Creek Amana School District, please use the provided waste baskets.
- 10. No one under the age of 18 will be admitted without a signed parental permission slip.** Because of legal issues with minors and "M" rated games we will require a permission slip for minors. This helps us to be sure that parents are informed that you are at our party and have a chance to ask us about any concerns that they have.
- 11. No one under the age of 15 will be admitted to the lan party.**
- 12. No alcohol, tobacco or other illegal drugs will be permitted.** What you do on your own time is your business and your responsibility but leave it at the door.
- 13. No vulgarities, insults or inappropriate material.** This is self-explanatory, good natured ribbing is a core component of a lan party atmosphere but if it becomes offensive you will get the boot.
- 14. No trading/sharing of copyrighted materials.** If you want to share files at home that's up to you but do not do so over our network, it will get you kicked out. The RIAA is handling enough lawsuits and I'm sure they don't need any extra work.
- 15. Do not abuse the restroom facilities.** Do I really need to explain this one?
- 16. Contain your noise during quite time.** This year we will be having a quite time from 2am till 10am to allow those who wish to sleep to do so, please keep your noise down during this time.

You must understand these statements and agree to them *before* you will be admitted to the lan party.
